## Education

### **Florida International University**

Miami, FL | Aug 2018-Aug 2022

BA in Philosophy, Political Science; Minor in International Relations

GPA: 3.00

## Experience

### **Social Studies Teacher, Saint Petersburg High School**

St. Petersburg FL | September 2022 - Present

- Developed and implemented engaging lesson plans for Anthropology, Humanities, AP Psychology, AICE Psychology, AP European History, and World History courses tailored to diverse learning styles, effectively delivering curriculum
- Utilized innovative teaching methodologies, including multimedia resources and interactive activities, to enhance student comprehension and retention
- Fostered a supportive and inclusive classroom environment conducive to academic growth, cultural appreciation, and respectful discourse
- Monitored and assessed student progress through a variety of assessment tools, providing timely feedback and implementing strategies for improvement
- Collaborated with colleagues to align curriculum, share best practices, and participate in professional development opportunities aimed at enhancing instructional effectiveness

### **Philosophy Tutor, Florida International University**

Miami, FL | August 2019 - May 2022

- Assisted students enrolled in Intro to Logic, Intro to Philosophy, and Intro to Ethics courses within a class environment and privately by answering questions, working on assigned homework, checking papers for errors, and furthering the understanding of concepts which may not have been fully grasped during class sessions

### **Teaching Assistant, Concerned African Women, INC**

Miami, FL | October 2020 - November 2020

- Supervised youth, ages 12-17, during the school day while they completed online learning curriculum five days per week
- Lead after school extracurricular activities alongside homework assistance
- Managed and maintained the classroom by engaging and interacting with students and assisted with youth program recruitment

### **Peer Mentor, Florida International University Center for Student Engagement**

Miami, FL | May 2019 - November 2019

- Mentored new students transitioning to college, developed team builders to foster student engagement, and facilitated discussions on specific topics in the First Year Experience course
